

COLONIAL FARMS

Hello Educators,

All of us at Powell Gardens Colonial Farms deeply value our educators and all the hard work you do, which is why we're excited to extend a special 10% in-store, everyday discount—just our way of saying thank you! To start saving on all your favorite items from Colonial Farms, simply register at the front of the store with one of our cashiers.

We've put together this packet to give you more details about planning field trips, school fundraiser opportunities, and other exciting experiences specifically designed for you.

*Sincerely,
The Colonial Farms Education Team*
